PICKLEBALL
ROUND ROBIN KIT

Rotating-partner doubles for 4-16 players, singles for 4-8, scoresheets, standings and a court board

WHAT'S INSIDE

p2	Quick rules & scoring cheat sheet (side-out vs rally scoring)
p3-15	Doubles round robins: 4, 5, 6 ... 16 players (one page each)
p16-20	Singles round robins: 4, 5, 6, 7, 8 players
p21	Scoresheet & standings (wins, point differential)
p22	Blank court-assignment board

HOW TO RUN IT

1. Count your players and turn to that page. Courts needed = players / 4 (rounded down).
2. Write names in the roster; each player remembers their number.
3. Each round: find your number - the two numbers on one line are partners.
4. Write both teams' scores in the boxes. Players listed under SIT OUT rest.
5. Tally on the standings page: wins first, then point differential.

PF = points for, PA = points against, DIFF = PF - PA. Sort by W (most first); ties by DIFF (highest first); still tied: head-to-head, then PF.
Tip: the spreadsheet in this kit does all of this automatically - type names and scores, standings sort themselves.
