-  Contractors

FEATURES

Everything you need to get paid

No bloated features. Just the tools freelancers actually use.

Unlimited Invoices

Create as many invoices as you need. No caps, no limits.

Client Management

Store client details, history, and payment records in one place.

PDF Export

Download professional PDF invoices ready to send.

Multi-Currency

Bill clients in PKR, USD, EUR, GBP, or any currency you use.

Revenue Reports

See what's paid, pending, and overdue at a glance.

Mobile Ready

Manage invoices from your phone. Works on any device.

HOW IT WORKS

Send your first invoice in 3 minutes

1

Add Client

Save client details once. Reuse forever. No retyping.

2

Create Invoice

Add line items, set dates, choose currency. Totals auto-calculate.

3

Download & Send

Export as PDF. Send via email, WhatsApp, or anywhere.

PRICING

Simple, honest pricing

No subscriptions. Pay once, use forever.
