
Leo and the
Whispering
Compass

Deep in the Whispering Woods lived a little red panda named Leo, who loved maps more than cupcakes.

Every afternoon, Leo and his best friend, Pip the bluebird, dreamed of finding places no one had ever seen.

One rainy Tuesday, Leo climbed up the creaky wooden stairs into his grandfather's dusty attic.

Tucked beneath an old velvet hat was a small cedar box that hummed like a sleepy bumblebee.
