## AI Influencer Starter Pack — Free Preview

This is a **free sample** from the full **AI Influencer Starter Pack** — 30 tested prompts for Leonardo AI.

Below you'll find 3 prompts from the pack, exactly as they appear in the full version: with negative prompts, model settings, and scene descriptions. Use them in Leonardo AI right now.

### What's in the full pack

- 30 tested prompts organized by scene type
- Consistency Guide — how to keep the same character across posts
- Negative Prompt Cheatsheet — fix the 8 most common AI artifacts
- 5 tips to make your AI influencer look human
- Technical settings for every prompt (model, aspect ratio, guidance, steps)

**Note:** this sample contains text prompts only. You generate the images yourself in Leonardo AI using the prompts provided.

## 3 Sample Prompts

### PROMPT 01 — MORNING PORTRAIT BY WINDOW

(young woman in her late 20s:1.2) sitting on a windowsill, holding a warm ceramic mug, oversized cream knit sweater, loose messy bun, (soft golden morning sunlight:1.4) through sheer linen curtains, steam rising from the mug, relaxed expression, shallow depth of field, photorealistic, warm cinematic palette, 85mm at f/1.8, --style raw

**Negative:** plastic skin, airbrushed, cartoon, 3d render, blurry, deformed hands

**Settings:** Model Phoenix · 1:1 or 9:16 · Guidance 7 · Steps 30

### PROMPT 06 — WORKING ON A LAPTOP IN A CAFÉ

(man in his early 30s:1.1) working on a laptop in a cozy café, wearing a black turtleneck and round metal-rimmed glasses, leather notebook beside him, warm interior light, blurred background, candid moment, 35mm at f/2.0, photorealistic

**Negative:** plastic skin, cartoon, blurry, deformed hands, oversaturated

**Settings:** Model Phoenix · 9:16 · Guidance 7 · Steps 30

### PROMPT 21 — NEUTRAL STUDIO PORTRAIT

(close-up portrait:1.3) of a woman, soft natural light from the left, neutral grey background, simple beige linen shirt, gentle smile, light freckles across the nose, photorealistic, 85mm at f/1.8, cinematic soft lighting, --style raw

**Negative:** plastic skin, airbrushed, cartoon, 3d render, blurry, oversaturated

**Settings:** Model Phoenix · 1:1 · Guidance 7 · Steps 30

## Get the Full Pack

You've seen 3 of the 30 prompts. The full pack includes:

- **27 more prompts** — morning scenes, café, outdoor, home, evening, close-up portraits, and creative angles
- **Consistency Guide** — 5 practical steps to keep your character recognizable across every post (seed locking, image guidance, negative prompts, master prompt)
- **Negative Prompt Cheatsheet** — a quick-reference table for fixing the 8 most common AI artifacts
- **5 tips** to make your AI influencer look more human
- **Technical settings** for every prompt — model, aspect ratio, guidance scale, steps

### Who this is for

Content creators building faceless or AI-driven Instagram and TikTok accounts. Freelancers offering AI-generated visuals. Anyone who wants a ready workflow for Leonardo AI instead of testing dozens of random prompt variations.
